

A scholarship fund is being established in memory of Karissa J. Kumpan. Karissa was a student in the Eastchester Schools and graduated from the Eastchester High School in 2005.

Karissa passed away on February 6, 2010. She was an awesome young lady who left an indelible imprint on everyone she met and will be sorely missed.

Karissa was a kind and generous person who was always smiling, laughing and living life to its fullest. Her passion for life and compassion to others will continue to motivate all of us.

The Karissa J. Kumpan Scholarship will be awarded to a graduating senior at Eastchester High School. The first scholarship will be presented in June 2010. The scholarship will assist a student who has a passion and commitment to sports. It will be awarded to someone who shows good sportsmanship and team work: an Eastchester High School student who will capture the essence of Karissa and the beautiful and caring person she was.

Our ultimate goal is to keep the scholarship and Karissa's memory alive. We would like to build a fund to ensure that the scholarship continues for many years.

Your support is greatly appreciated. Thank you.
