Dear Parents,

We are receiving registrations almost every day and it is great to get off to such a fast start. If you have not already done so, it would be a good idea to send in the registration with the \$200 deposit to reserve your spot for 2010.

Please check the camp calendar on the website. There have been a few changes. After speaking with a few parents, I have decided that the Beardsley Zoo trip which was scheduled for Grades Pre K-2 was too far a bus ride. I have instead arranged for Pre K- Grade 1 to go to the Children's Museum in Paramus, New Jersey. Grade 2 will go to the Stepping Stones Museum in Norwalk, Connecticut. I am also in the process of arranging to bring into camp a number of entertainers which might include an animal act, clown, etc.

News Flash**** Pocantico Hills Day Camp will be offering a Sports Clinic in a number of sports for grades 2-teens during the camp hours. This is in preparation for a new addition to the camp program known as inter camp games. I am in the process of arranging basketball, soccer, softball and volleyball games with other camps.

The wood shop will not be available this summer so we are offering Art instruction, Home Economics and Fun Factory during the "Crazytime" period from 12:00-12:30 for grades 3-teens.

We have expanded and improved the Nature program with a new instructor and new projects.

Many of our out of camp trips which are available for you to see on the camp calendar page of the website will include outdoor picnics.

I have also hired additional staff to supervise our 4 year old program.

****Another News Flash- We will once again offer a pre and post camp program. I urge you to look on the registration form and fill out the information if you want your children to be part of these programs.

Only 5 months to go and camp begins.

Happy Camping

David
