November 3, 2010

Dear Parents,

I hope this letter finds you and your children in good health. It is only 8 months until the beginning of the 2011 camp season and we have already been working for the past 6 weeks planning for the upcoming camp season.

The 2010 season was challenging but also very successful. Despite the problems caused by the construction and the difficulties with the pool, our registration increased and the kids had a wonderful summer. Those problems are now in the past. **Construction has already begun on a brand new, modern pool that will enable us to better serve your children in both swim instruction and free swim.** New pumps, new deck, **brand new pool**, new environment will make PHDC the place to send your children in 2011. We will be hiring additional pool staff to demonstrate our commitment to the success of this program.

The Board of Education will be meeting very soon to discuss the camp rates and camp dates. I will inform you in the next parent letter on the results of that meeting.

Here are some of the new programs we are investigating for 2011:

1. Hip Hop Dance- for grades 3-teens
2. Wood Prints/Wood Sculpture Shop- grades 3-teens
3. Softball/Whiffleball- all grades
4. New trips- all grades
5. Teen bike trip- to either Montauk or upstate New York
6. Go Kart, horseback riding, boating over night for 5th grade
7. Expansion of the computer program for Pre K-Grade 2
8. Expansion of the reading program for Pre K-3
9. Post camp Pizza party for grades 1-2

These are just a few of the ideas we are currently discussing.

Please feel free to call or e-mail me for additional information.

Happy Camping,

David Levine
Director
