

February 12, 2010

Dear Parents and Friends,

On behalf of the Pocantico Hills School Board of Education, I am pleased to invite you to attend a special community meeting to meet Dr. Robert J. Monson, the District Superintendent for Southern Westchester Board of Cooperative Educational Services, also known as BOCES. The purpose of this meeting is for Dr. Monson to meet with members of the Pocantico Hills community as part of the process to determine the qualities for the next Superintendent of the Pocantico Hills Central School District.

The Board of Education is committed to work diligently to begin the process which many educators consider the most important task a school can undertake. The Board seeks to work together with all members of our school community to delineate the qualities we seek in the leader of our school.

The Board encourages all interested individuals to attend and participate in this community event. We look forward to your participation and feedback regarding this critical issue. Please try to attend the meeting, scheduled for February 23, 2010 from 7:30 p.m. – 9:00 p.m. in the school cafeteria.

Sincerely yours,

Katherine Yu  
School Board President
