### THINK OF OUR CHILDREN'S SAFETY

When dropping off or picking up children from school, please turn your car motor off. Many cars are left idling with no one behind the wheel, which sets us up for a potentially dangerous situation for children playing outside. It is also a health issue.

Please help. Thank you.

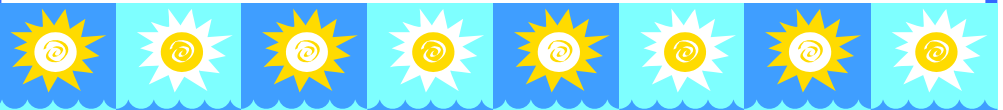

Dear Cottle Cubs,

Congratulations to our Kindergarten and Grade 5 graduates! I want to wish all of the Cottle Cubs a wonderful and relaxing summer.

See you on September 9th! Keep reading throughout the summer!

Mr. DiCarlo
