July, 2011

Dear Students and Cottle School Parents,

This has been a very busy and exciting summer at the Cottle School. I am looking forward to a wonderful 2011-2012 school year. I hope that you have enjoyed a restful and relaxing summer vacation.

The Cottle School can be proud of what was achieved last year on the state assessments at all levels. As a school, we need to continue to encourage academic and character excellence throughout the upcoming school year. We will continue to improve because of the dedicated faculty, staff and parent community all of whom have a common goal in doing what is best for our students/children.

School begins for all students K-Grade 5 on Wednesday, September 7, 2011. On the first day of school students will report to the following areas:

Kindergarten - 1	-	Auditorium
Grades 2 - 3	-	Cafeteria
Grades 4 - 5	-	Directly to their classroom where their teachers will greet them.

Cottle School begins promptly at 8:30 am and concludes at 3:00 pm. Please ensure that your child/children arrive on time daily. Enclosed are the arrival and dismissal procedures. Please read them carefully and review them with your child/children.

**(OVER)**

**Bus Students:**

Academy bus will once again transport our children to and from school. A bus schedule will be sent to you; please read it carefully and note your individual stop, time and location. It will take time for parents and students to become accustomed to new bus schedules. When the buses arrive, students will be supervised and directed to locations mentioned above by our teaching aides.

**Religious Instruction:**

K - 5 students attending St. Joseph's CCD classes will leave at 2:00 p.m. on Wednesdays. There will be no CCD at ICS during the school time this year.

I look forward to working with you in September. Enjoy the remainder of your summer.

Sincerely,

*George Albano*
